

## George Mason University Fall 2014 Graduate Tuition Rates

**Education Resource Fee:** a mandatory per-semester fee, which is \$100 for seven or more credits, or \$60 for less than seven credits. The Education Resource Fee funds essential support services for both full and part-time students.

**Graduate New Student Fee:** This is a mandatory, non-refundable, one-time fee. The fee is charged to the account of every newly admitted, degree-seeking student at the time of registration, regardless of orientation attendance or enrollment status. The new student fee is \$60.00.

**International Student Health Insurance:** Health insurance is required for all F-1 and J-1 visa holders. Students are required to purchase the policy arranged by the university unless exempted by Student Health Services. Health insurance fees are deducted from all payments received by the university before funds are applied to tuition or other charges. Failure to make this payment may result in cancellation of classes. For exemption criteria and due dates, see the University Catalog or contact the Student Health Services in SUB I, 703-993-2827.

**Please Note:** Several courses require additional course or lab fees. Additional information is available on the Student Accounts Office web site.
